Dear Workman Family,

We have had a wonderful start to our 2015–2016 school year! I appreciate the support of our parents, our wonderful students, and the hard work of the most outstanding elementary staff and faculty around!

I encourage all parents to join our Workman PTA! This supports every facet of our school and demonstrates to our students that we value their education. Let’s show evidence that Workman families are the best there are in Covina Valley! My goal is to have 100% PTA membership! We already had a great assembly for our students on the pillars of character.

Thanks so much for partnering with us and supporting us as we do all that we can to enhance the lives of our students.

Mr. Deegan
