“Children are made readers on the laps of their parents.” – Emilie Buchwald

Dear Workman Family,

One of the best parts of my day is to walk through the classrooms at Workman and see your children highly engaged in learning and observing the expert teaching practices and strategies employed by our outstanding faculty. From our four year olds in our Transitional Kindergarten class to our fifth graders starting out their last year of elementary school, I notice that same gleam and light in their eyes and faces as they are learning in class.

It is very important that we do all that we can to work together to ensure that our students are here at school everyday. Tardiness and absenteeism are bad habits, and they diminish the value that we place on our children’s education and future. I appreciate your support and for working together with us to enhance the lives of our students.

Mr. Deegan
